

# CSR Martini

## Care & Maintenance

CSR Martini's decorative acoustic range is manufactured with the highest quality materials and requires minimal up keep to maintain its high quality finish.

Before starting any recommended cleaning method always spot check on a concealed section to ensure it will not impact the adhesives or product. Treat spills and stains as soon as possible by using a damp cloth using the cleaning guide below.

If you do get a small build up of dust we recommed a light vacuum using an upholstery attachment on low suction. Do not use vacuum attachment with a rotary brush. Brushing may damage the nap or character of the fabric.

STAIN	RECOMMEND TREATMENT
Dust Dirt	<ul style="list-style-type: none"> <li>- A light vacuum using an upholstery attachment on low suction.</li> <li>- Do not use vacuum attachment with a rotary brush. Brushing may damage the nap or character of the fabric.</li> </ul>
Chewing Gum Chocolate Cooking Oils Crayon/ Markers Grease Oil Mud	<ul style="list-style-type: none"> <li>- Remove surplus with a knife edge or appropriate instrument.</li> <li>- Softly sponge with household dry cleaning fluid and blot dry.</li> <li>- Apply subtly to not impact the adhesive within the product.</li> </ul>
Drinks Paint	<ul style="list-style-type: none"> <li>- Blot the excess moisture with a dry clean cloth.</li> <li>- Softly sponge with household dry cleaning fluid and blot dry.</li> <li>- Apply subtly to not impact the adhesive within the product.</li> </ul>
Pen Mildew	<ul style="list-style-type: none"> <li>- Softly sponge with household dry cleaning fluid and blot dry.</li> <li>- Apply subtly to not impact the adhesive within the product.</li> </ul>

CSR Martini recommends consulting with a professional cleaner if you require any further assistance on stubborn stains.
